Warehouse Operative

UK £12.21PH+ DOE Varied

Overview:

You'll support the daily operations of warehouses and/or distribution centres by handling, moving, and storing goods safely and efficiently. Duties may include receiving deliveries, picking and packing orders, loading and unloading stock, and keeping the workspace clean and organised. Roles are often physical and fast-paced, so attention to detail, and a strong work ethic are essential.

- **Over 1000 Live Roles in 15+ Industries**
- **Temp to Perm Opportunities**
